MOUNTING ADAPTER FAW/RKW 30W

DESCRIPTION. The Model MA FAW/RKW 30 Mounting Adapter includes an adapter plate and mounting screws that allow a 30W RKW power supply to be easily substituted for a horizontally-mounted 25W FAW power supply. Mount the adapter plate to the RKW power supply using the screws provided (see Figure 1), then install the adapter plate in place of the FAW power supply using the screws that previously secured the FAW power supply.
